felt by them when informed in the narratives I Trotal. So his mission failed.

It may here be stated that we in no wise forced ! nurselves upon this very agreeable people of Chaochow foo; we were formally invited and taken to our destination in mandarin boats the lines of

In long rough chairs, across a sandy desert, expossible subjects were poured into our subject to people obnusions to the lower but governing to people obnusions to the lower but governing classes. I done know, gouthereache, whether you formed your primitive idess of blain, long before we were in should we despite the willow-pattern plate, as I did. It from the mounds of which could be assessed this was the case you will agree with me that when the British Government so liberally accorded the proposed on the proposed of the proposed plant when the British Government so liberally accorded the proposed on the proposed of the proposed plant when the British Government so liberally accorded the proposed on the proposed of the proposed plant when the British Government so liberally accorded the proposed on the proposed of the proposed plant and pl ed a national flag to Obina, the willow pattern outld not get out of reach of red cards, for go will be even that of a more insignificant Capton. night to have been the device, nay it ought to where we might we were sure to be followed by Nonemersons:—The North China Hereid. have been the great seal of China. I never look runners with some message or the announcement at a view in China, or a group of Obliges, without being reminded of it. Es it was going into Chao-chow across the little Sahara that extends were brought in which had been found on the Chao-chow across the little Sabara that extends from the South gate to the river's bank. The trees, temples, bridges and birds were all like those depicted on the well known plate. I don't say that you who bereafter approach Chao-chow looking only for deliars, may not require the eye of faith to see all this, but I am speaking to those whose tai's vamen to hear us preach the goanel and to artistic appreciation is as yet uncorrupted by tails yamen to bear us presch the gospel and to bi maion. A large body of "braves," with mag-nificent banners, long spears, and utterly useless among them. This interesting document bore matchlocks, walked with us, not without shouting date 2.084. Another document was far more to matchlocks, walked with us, not without shouting the purpose.—" To-day two daylis have entered official quarter, to the Governor's residence, where the city, a hundred more caming to morrow, the usual salute announced to the frageout mob. Their rapacity is inordinate, they will swallow. heads or the division of a vertebra. In face Chiuese cupning had worked wonders. In all former undenbiedly a mining make it was don't attempts by foreigners to get to the city their who would enjoy a ran after a devil before all boots always made for the gate beyond the bridge supusement this earth affords; but as for the On this bridge the untagonistic populace meed to coward who wrote the first, he was a mank; one stand, after having loosed the coping stones roudy of those who stand on the outside of a crowd for dropping late any thing foreign that passed where no danger menaces their retreat and from beneath. The vagebonds had such an undoubted there timidly throw little stones. He certainly "orign of vantage" up "top side," with their wanted to take a mean advantages of us. Fancy coping stones ready, over the wretched boats our preaching the joyful cound to the sections mobil. I know the kind of joyful cound it is the question of passing, and with it the entry into should like to have assailed ears with. I don't the city, was always politely yielded, but, however, know why, but it is very irritating to be mistaten or one occasion, until a stone had dropped clean for a parson. through the bottom of one of the foreigners, cargob sats, urged on its destructive mission by the tai and the other Excellengias. Worship and Rogrinning populace above. On the present occanors, for the Barbarians had elected to depart.

Non A-chong and A-pib, with their kinsmen, were How quickly were the perparations made and how: waiting on the bridge as usual, with ununswerable, fluently flattering speeches were poured out constones ready. The reported advant of foreigners | ning our courage, grandeur and ability. Once seat. bnd made it quite a little holiday for them. Pour ed in our chairs gongs were striken, guns were fired: fellows, they were egregiously gulled; the foreign- and as discordant music stole down from the lefty.

model and like all other c lestial institutions, are broke forth, not of congratulation or astenishall fast going to decay. The oldest tablet I could ment but such as one would only expect to hear find in our quarters at Chao-show was dated the when passing down Ludgate Hill on the morn-2nd year of Tao kwang (44 years ago), not a very ing of the execution of a more than ordinarily old date for a public building, but then the mate- interesting murderer. It was given as if by rial employed in its prection is almost entirely, signal. Those who before had been bending; wood. The counterpart of the pavilion in which even kneeting to see us all at once, threw we lived can be seen on the willow plate! As in back their heads and howled. A chorus of does that representation, it was fixed on piles over a baying the meen make music compared to the fine sheet of water wherein large water-likes and prolonged shout which greeted our public aplittle fishes abounded. There, too, were to be pearance in Chan-phow. What a fortune a denecen elegant egrets, walking from leaf to leaf, that ought to make in that city, if I may judge catching at the passing prey with their powerful who have had a good view of the interior of half yellow heaks, and caring but little for our pre the mouthe in the place. With continued rouring sence: as we were, I am happy to say, of that from the people and screaming from our guard, gentle disposition which thinks it not quite polito to use gune in a Chinese gentlemen's private parden. Such wonderful; trees cost then ly guarded. Here we could see something of the shaddwe over the walks and bridges and canal work, What events of more importance have they principally fish, fruit, poultry and ducks that had not seen than the advent of that couple of foreigners peacefully reclining among their roots and causing the smoky fragance of cigars to ascend from pige that had died in the morning. Several flercily to their graceful branches. They don't of the shops had been taken as private boxes date from Tao-kwang but from the reigns of dyanstice long since faded into the twilight of Mythus, and have tranquilly waved their glossy servants, waited gravely to catch a view of the leaves over a hundred scenes of jourder and strife, strangers that were within the gates. As we speeding, as they now spread, an indescribable air passed all heads were bent low and eyes stared of stillness and peace over the gardens and pends their utmost and then, lo ! we had passed by and and pavilions around them. But no peace was our admirers returned to their accustomed places. o res. From morning till night, from our arrival let us hope all the wiser and better for the gratitill our departure, one continued stream of Excel- figation of their outlosity. With only occasional lencies, Worships and Honors, red butters, blue rushes from the impations mob who at cross. buttoos, white buttons, and gentleman wearing streets and open places had questered in great in Spring Galdens, Prays, Marine Lot No caps with no buttons at all, came pouring in. They force, we passed through the East gate, where a 24 aml 25, with Offices, Comprador, and Serwere all clothed in the bountiful Chinese official strong guard was stationed, into the dangerous vants Booms, and Cookroom, having a Capacity costume and moved slowly and granefully as be- suburb boyond. This gate was the distinst place of 2500 Tons each. people, presenting a not unpleasing contrast to what the gates of Jadman cities may have been the fidgety looking nomeaning frees of the foreigness. One Ist had hardly departed when the firing of gons adnounced the arrival of another, and gate of Chao chow.

fleer " "Pray do." "I dare not!" And no hidden places, and one or two rushes which means on with much entreaty and pulling and pushing, the overturning of our chair, a termination of and with a continual sound of tao, see, see, all our journey which our strong guard slone prevenwith a conventional grin of satisfaction not really ted. At last a sharp turn to the left, brought us felt, got into their wrong places at last, and then befor will run through most of your readers, Mr. came the dreary old story of how propitious of to our boats. There the mob was in full forces Editor, when they see the shove title.
